Breathe out the chaos of the city

Nestled in the very heart of Gurugram, DLF Phase I & II presents a reserved collection of corner homes – an exclusive haven just moments from the vibrant city. Immerse yourself in your serene sanctuary and experience a lifestyle of exhilaration and contentment, every day.

Enveloped in abundant natural light and surrounded by verdant greenery and parks, these exquisite homes harmoniously integrate nature with opulent residential living.

Here, every new day feels like a breath of fresh air.

Discover the extraordinary in your *own exclusive corner*

Tucked away amidst these low-rises lies an exquisite selection of homes, providing unparalleled privacy, abundant natural light, enhanced cross-ventilation, and breathtaking vistas in proximity to beautiful parks and green spaces. Every dwelling is meticulously crafted to encompass dedicated staff and storage spaces in the lower levels, in addition to secure parking spaces.

Actual image at location

Your family's
own little *corner*
of paradise

Nestled away from the bustling city, these homes allow you to grow in comfort and create unforgettable memories with the ones you love.

Tailored to accommodate multi-generational lifestyles, these homes offer generously expansive living spaces complemented by balconies, culminating in a personal haven for the entire family.

The remarkable benefits of protected parking and vigilant CCTV monitoring ensure supreme convenience and tranquility.

Smart homes for smarter people

In your corner home, state-of-the-art technology effortlessly enhances your everyday life, making it more enjoyable and convenient. Embrace the latest advancements in home automation to ensure the perfect temperature and lighting are efficiently managed throughout the day, resulting in reduced power consumption and a seamless living experience.

Home Automation features include:

- TouchPad or app-based controls for the home
- Automatic controls for air-conditioning, lighting, fan, and geyser
- Provision for control wiring on curtains or Venetian blinds
- Automation
- Modular Touch Switches
